

Hospice of Wichita Falls Legacy Garden Walkway

Leave a Lasting Legacy

Some of life's best memories are walks with loved ones - a warm sun, soft breeze, even the occasional splash in a mud puddle. Hospice of Wichita Falls will be offering a way to honor or memorialize not only our loved ones, but those precious walks as well.

The Hospice of Wichita Falls Legacy Garden Walkway is framed with bricks donated by family and friends in memory of loved ones who have passed and in honor of those still with us, walking beside us every day. The gardens and brick pathways provide a sanctuary for patients, families and friends who are always welcome to visit this special place.

To celebrate that loved one's life by choosing a brick in this path, you not only honor that person and their place in your life, but you do it in a way that others can see, while enjoying their own walk with a loved one.

So...let's take a walk.
