A Time for Hospice

## What is Hospice Care?

Hospice is a special type of care for anyone with a life-limiting illness who chooses to focus on comfort and quality of life rather than curative treatment. Anyone can refer another to Hospice of Wichita Falls, including the patient; however, a physician's prognosis for the patient will be required for admission to our services.

## Hospice of Wichita Falls is Here for You.

Hospice of Wichita Falls (HOWF) has cared for our friends and neighbors in Wichita Falls and surrounding counties for 40 years. Today, we remain the only nonprofit hospice in this area, committed to uncompromising care for all, regardless of age, gender, background, or financial status.

Our expert teams are specialists in hospice care and work with each patient to meet their physical, emotional, and spiritual needs. This holistic approach means our patients can live life to the fullest. Our mission, "*Care, Hope, And Support For All When Illness Threatens Life,*" is our promise to our patients and their families. With Hospice of Wichita Falls, you will always have someone in your corner helping you make important decisions with confidence and dignity.

## Hospice Care at Home

HOWF Care Teams provide medical care for individuals wherever they call home, including private residences, contracted nursing facilities, and assisted living facilities.

The HOWF Care Team:

- Hospice Physician
- Hospice Nurse
- Certified Nurse's Aide
- Social Worker
- Chaplain
- Volunteer

## Inpatient Care Center

The Philbin-Prothro Inpatient Care Center is available only to HOWF patients. Our state-of-the-art Center allows us to care for patients with comfort and dignity in a warm, peaceful environment. The Center provides short-term care to manage uncontrolled symptoms or to provide respite for caregivers.
